

# THE ESSENTIALS OF SEXUAL MINORITY THERAPY: AN INTERNATIONAL SUMMER SCHOOL

© Pamela Juhl

How good is your understanding of sexual and gender diversity?

Are you knowledgeable about Sexual Minority Therapy?

Are you interested in improving your practice with LGBT clients?

**Do you offer counselling, psychotherapy or emotional support to lesbian, gay, bisexual or transgender clients in an isolated environment perhaps in private practice or for an LGBT NGO/ Voluntary Organisation?**

**Are you confident that you have had sufficient knowledge and training to work competently with sexual minority clients in these circumstances?**

**Would you be interested in updating your knowledge and have an opportunity to work on your values, beliefs and attitudes in this area?**

**Pink Therapy** is the UK's leading independent specialist therapy organisation working with gender and sexual minorities and we would like to invite you to participate in an international training event, providing what we see as essential training for all therapists who are working with sexual minority clients. There will be extensive guided pre-course and post course reading which is optional and encouraged.

**COURSE DATES:** 4-9 July 2011

- Day One: Contemporary Models of Sexual & Gender Diversity
- Day Two: Developing Models of Sexual Minority Therapy
- Day Three: Working with Internalised Oppression
- Day Four: Externalised Oppression
- Day Five: Coming Out issues
- Day Six: Professional and Ethical Issues & creating Personal Support Networks

This course is non-residential but we can recommend low-cost accommodation for participants.

The course will be taught by a team of five of our leading trainers: Dominic Davies, Lyndsey Moon, Tim Foskett, Havva Mustafa, & Deirdre Haslam.

**Quotes from previous students:**

*"This is the first training course I've attended in a long time where I really learnt something new. An extremely well organised course with a great deal of supporting material. The experiential learning was particularly helpful."*

*"An excellent, well prepared and presented course concerning essential aspects of this important subject. Informative, engaging, thought provoking and professional."*

*"Very useful. High standard and have provoked much further thought and possibilities to explore. I feel I have learnt a huge amount."*

**Central London, UK**

Course Fees: £800 inclusive of all materials.
